

Lecture for schools “Vilnius 25 years at the UNESCO World Heritage List”

Lectures “Vilnius 25 years at the UNESCO World Heritage List” were presented in various Vilnius schools from 2016 to 2019.

The lectures for school children presented the outstanding universal value of Vilnius Historic Centre, its structure, urban development, most important architectural monuments, multinational communities. Lithuanian capital was compared with other neighbouring world heritage cities: Riga, Tallinn, Warsaw and Cracow. The interactive lectures involved pupils to the discussion about values of the Old Town.
